Tony Dodson

RE: Approval of bylaws for Lake Murray Power Squadron, Inc.

Tony,

I am pleased to inform you that the [Lake Murray Power Squadron, Inc. bylaws](#) are approved as of August 20, 2012 by the undersigned on behalf of the Committee on Rules. The bylaws become effective upon this formal approval.

I am sending to you by attachment with this letter, a copy of the approved bylaws along with the signed certification page indicating my approval on the inside front cover.

Please be sure that your membership is notified that the revised bylaws have been approved and become effective as of August 20, 2012.

I have or will send an electronic copy of your new bylaws for posting on the ComRules Web Site, and to USPS Headquarters to be printed and filed as a permanent record there. When this process is completed, your bylaws will be available for inspection or download on-line at the ComRules home page through the USPS web site.

On behalf of the Committee, we extend our thanks to you and your District for the extra effort in updating your bylaws.

As we talked, I understand that it is the intention of Lake Murray Power Squadron to do another revision to update to the latest model. We talked about some suggestions. If I can be of any additional help, in any respect, please do not hesitate to contact me.

Very truly yours,

Robert E. Canfield
